

# August 10, 2018

Registration Opens 7:00

Shotgun Start 8:00

## **Hole Sponsor - \$300 + Silent Auction Item**

A hole sponsorship includes the opportunity to set up with personnel at your hole on the day of the tournament to network with participants, offer them drinks, play games, or hand out promotional items or literature. The silent auction item should be valued at \$100 or above and can include company product or services. Hole sponsors will enjoy logo recognition on the course, the scorecard, and The First Tee of Shawnee County website.

## **Lunch Sponsor - \$2,000**

Our lunch sponsor will have an opportunity to address the gathering during the meal and enjoy premium logo placement on all main signs and banners at the tournament site as well as on the TFTSC website and corresponding marketing and literature.

## **Beverage Sponsor - \$3,000 (or product)**

The beverage sponsor for The Kevin Brennan Memorial Golf Benefit will have category exclusivity for the event and can select or restrict the beverages offered for the event. If interested, we would allow for representatives on site to offer tastings “at the turn” during the event. Our sponsor will receive logo and message recognition on the beverage carts used during the event, plus premium logo placement on all main signs and banners at the tournament site as well as on the TFTSC website and corresponding marketing and literature.

## **Tee Prize - \$150 + Item**

For companies wishing to leave an impact, we offer the opportunity to add literature or a promotional item to our tee pack. Items must be to TFTSC no later than July 31, 2018.

## **Shot Advancement - \$300**

We would work with your company to devise an advantage for teams to use during play that ties into your branding, products, or services. We would brand this in literature description and logo as possible whatever items we utilized for the shot advancement.

## **Silent Auction. Donation - Product or Cash**

Prior to the awards ceremony, TFTSC will hold a silent auction. Any company donating will have an opportunity to “pitch” their item to the crowd prior to the auction closing and enjoy logo recognition on the silent auction literature in the tee pack and on the TFTSC website.
